To All Railway Modelers,

We are pleased to invite you to the 9th Annual "TT weekend Žilina 2017" with international participation.

The meeting will participate by clubs from the Czech Republic, Poland, Hungary and Slovakia. The main topic is based on the operation of the trains, from the period after 1985 on monorail (possibly double-track) of the main line with local track. The special historical train cars with steam locomotives are included in the graphic timetable. Freight transport of the ending period of "RVHP" and the arrival of private companies. The scope and type of transported goods according to the nature and type of registered stations.

GVD: 0-24 in modelling time of 1:3 (1:4), with possible adjustments as needed

Date of meeting: **30.8.2017 – 3.9.2017**

Meeting place: **SOŠ Stavebná, Tulipánová 2, Žilina**
