To All Railway Modelers,

We are pleased to invite you to the 14th Annual "TT weekend Žilina 2023" with international participation.

The meeting will participate by clubs from the EU. The main topic is based on the operation of the trains, from the period after 1992 on monorail (possibly double-track) of the main line with local track. The special historical train cars with steam locomotives are included in the graphic timetable. The scope and type of transported goods according to the nature and type of registered stations.

GVD: 0-24 in modelling time of 1:4 (1:5), with possible adjustments as needed

Date of meeting: **23.8.2023 – 27.8.2023**

Meeting place: **SOŠ Stavebná, Tulipánová 2, Žilina**
<https://goo.gl/maps/2oo1AYxzaW52>
